A Surgeon of the Eighth Illinois Cavalry (Abridged, Annotated) (Civil War Medicine Book 7) Dr. Abner Hard

As the regimental surgeon for the Eighth Cavalry during the American Civil War, Dr. Abner Hard saw it all. His troops were at Manassas, Gettysburg, Antietam, Chancellorsville, Boonesboro, Brandy Station, Fredericksburg, and more.

When the bullets stopped, Dr. Hard took upon himself the task of documenting the privations, sorrows, and bravery of the fighting men of the Eighth during their long years of war. With detail, humor, and insight, he covered the ground well in the 1868 publication about the boys in blue that he knew.

Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever.

For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers, tablets, and smartphones.
