Dombey and Son (Penguin Classics) Charles Dickens

A darkly witty tale of two siblings' struggle to achieve happiness in the shadow of their father's pride

To Paul Dombey, business is all and money can do anything. He runs his family life as he runs his firm: coldly, calculatingly and commercially. The only person he cares for is his frail son, grooming him for entry into the family business; his daughter Florence, abandoned and ignored, craves affection from her unloving father, who sees her only as a 'base coin that couldn't be invested'. As Dombey's callousness extends to others - from his defiant second wife Edith, to Florence's admirer Walter Gay - he sows the seeds of his own destruction. Can this heartless businessman be redeemed? A compelling depiction of a man imprisoned by his own pride, *Dombey and Son* explores the devastating effects of emotional deprivation on a dysfunctional family and on society as a whole. In his introduction, Andrew Sanders discusses the character of Paul Dombey, business and family relationships in *Dombey and Son* and their similarities to Dickens's own childhood. This edition also includes a chronology, further reading, appendices, notes and the original illustrations by 'Phiz'.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
