Haunting in Big Bear Lake a true story Jodi L Polos

This is a true story based on actual events that started occurring in 1985 .I have gone to great lengths to keep the location of this house a secret. People that have found my old house have contacted me to report sudden deaths and grave illnesses amongst family and friends after driving past the house..They were healthy before they went to that house.On the cover, you are looking at the actual house.Please do not try to locate it. My name is Jodi and i have an identical twin sister named Jami.We are fifteen years old and have recently moved into our new home.The house is located deep in the dark green forest.We have only one neighbor on our street . He soon flees from his home after a paranormal encounter,leaving us all alone on that street. I am living in an old dark and scary house that looks nothing like a home.Living in this house soon turns into a horrific nightmare.Something evil is lurking in the shadows.The house seems to be alive.As each day passes we see and endure things that are seemingly impossible to witness.People are being hurt,tormented,and almost killed from this "thing" that lives on the property .No one is safe. Be sure to check out my Facebook page dedicated to this book.You will find photos,videos,and parts of the story that were not in the book.
