The concept was simple, to link American railroads and global dominance of the seas with a railroad line through China and Russia, enter the back door of Europe, and create new royalty: the *Transportation Kings*. Vanderbilt, Hill, Morgan, and Harriman all pursued the grand dream. They were America's industrial princes, poised for their greatest accomplishments, only to find that they had not considered the gauntlet awaiting them in the courts of kings and Kaisers, parliaments and congress. They awoke John Bull and helped precipitate revolution in China. They brought about the building of *Lusitania* and, in reaction, they owned and built the *Titanic*. We all know how the disaster story ends; this is how the story came about.
