Creative Writing and Art History

Creative Writing and Art History

Creative Writing and Art History considers the ways in which the writing of art history intersects with creative writing. Essays range from the analysis of historical examples of art historical writing that have a creative element to examinations of contemporary modes of creative writing about art.

- Considers the ways in which the writing of art history intersects with creative writing
- Covers a diverse subject matter, from late Neolithic stone circles to the writing of a sentence by Flaubert
- The collection both contains essays that survey the topic as well as more specialist articles
- Brings together specialist contributors from both sides of the Atlantic
