It's not hard to notice Ken's gorgeous wife, Rachel, bouncing up and down the beach as the local lifeguard. There's no denying that Rachel could have any man that she wanted, but the fact that she's stuck with Ken has always made him proud.

They have the perfect marriage, or so it seems, until Rachel starts to get restless in the bedroom. Ken tries to jumpstart their sex life by allowing a little harmless flirting with other people, but soon enough things are spinning out of control and the couple find themselves in the middle of a hardcore double penetration!

This is a filthy short story containing 4,200+ highly explicit words. It contains rough sex, anal, double penetration, MFM threesomes, hotwife, facials, and cuckolding.
