## Pushing Limits

**An older lonely man gets seduced by a young guy.**

We've all been there—not having a SO but **tired of the meat market** someone comes along to fill the void, we remember what it was like to feel a warm touch in just the right places. If it comes at the right time, it makes all the difference in the world.

**Warning:** for mature readers. This book depicts graphic scenes of sex including anal, oral, fingering and other things too risqué to mention in this write-out.
