The Dogs of Riga: A Kurt Wallendar Mystery (Kurt Wallander Mysteries) Henning Mankell

Bringing the acclaimed series to a close, *The Dogs of Riga* takes Inspector Kurt Wallander across the Baltic to a disintegrating soviet union

February, 1991. A life raft washes ashore in Skåne carrying two dead men in expensive suits, shot gangland-style. Inspector Kurt Wallander and his team determine that the men were Eastern European criminals. But what appears in Sweden to be an open-and-shut case soon plunges Wallander into an alien world of police surveillance, thinly veiled threats, and life-endangering lies.

When another murder is committed, Wallander must travel to Riga, Latvia, at the peak of the massive social and political upheaval that preceded the nation's independence from the Soviet Union. Struggling to catch up with the culprits he pursues in this shadowy nation, Wallander finds that he must make a choice, decide who is lying and who is telling the truth, and test his bravery.
