The Edinburgh Companion to James Hogg (Edinburgh Companions to Scottish Literature)

The Edinburgh Companion to James Hogg (Edinburgh Companions to Scottish Literature)

James Hogg (1770-1835) is increasingly recognised as a major Scottish author and one of the most original figures in European Romanticism. 16 essays written by international experts on Hogg draw on recent breakthroughs in research to illuminate the contexts and debates that helped to shape his writings. The book provides an indispensable guide to Hogg's life and worlds, his publishing history, reception and reputation, his treatments of politics, religion, nationality, social class, sexuality and gender, and the diverse literary forms - ballads, songs, poems, drama, short stories, novels, periodicals - in which he wrote.
