Tunnel Rats: The Larrikin Aussie Legends Who Discovered the Vietcong's Secret Weapon Sandy MacGregor, Jimmy Thomson

The thrilling story of the young Australian Army engineers of 3 Field Troop who were the first allied soldiers to risk their lives in the darkness of the Vietcong tunnels of South Vietnam. Staring death squarely in the face every day, these young Australian Army engineers not only followed their enemy down into these unknown underground labyrinths, but matched the Vietcong's jungle warfare skills and defused thousands of their clever booby traps. Off duty, it was a different story. The bad boys of 3 Field Troop were a boozing, brawling, bonking bunch of larrikins, who cut a swathe through the bars and brothels of Saigon, fought American Military Police to a standstill, built a secret casino, and booby-trapped their own HQ to teach their officers a lesson. Thrilling, inspiring, and action packed, this is the true story of the unsung heroes of Australia's war in Vietnam. Living up to their motto of "We Make and We Break," they created the legend of the *Tunnel Rats*.
