Get up-to-date on the critical regulations governing the safeguarding of life and property from all types of fire and explosion hazards with the 2015 INTERNATIONAL FIRE CODE SOFT COVER. This resource is the ultimate reference guide for addressing fire safety in both new and existing buildings. Using prescriptive- and performance- based approaches, this guide includes coverage of general precautions against fire, emergency planning and preparedness, fire department access, fire hydrants, automatic sprinkler systems, fire alarm systems, and hazardous materials storage and use. This updated code edited sections like Section 910 which was heavily revised to address overall smoke removal and mechanical smoke removal requirements have been revised and clarified. A new Section 915 replaces and greatly expands upon former Section 908.7 on Carbon Monoxide detection and alarm requirements.
