Within less than a year's time, Cassiopeia "Cassie" Sullivan finds her world completely changed. She begins to enter a different lifestyle with new people, weapons, and unpredicted enemies. Our tale begins with the Arrival of the Others. Within a few months time, the Others began plotting their control over the world and methods of asserting dominance.

Cassie believes that she is the last person left on Earth little does she know that an incredibly threatening course of action is happening. The chronological list of events is shocking and leaves readers in disbelief with the story's plot twist.

Being the ambitious person she is, Cassie is motivated to fulfill a promise she has made to her younger brother and tries in all her will to be reunited with him. She struggles with decisions of trusting or not trusting. In The Fifth Wave Cassie her world beginning to crumble. She must step up to the plate save her planet!
