The Liberty Fleet Trilogy (War of Alien Aggression, box set two) A.D. Bloom

The Liberty Fleet Trilogy - After victory in the 2164-2165 War, Humanity expands into the territory of an Imperium that has sworn to destroy them. The first shots of the new war echo through the surrounding systems as Humanity's neighboring species must choose sides and fight with or against the local cluster's newest upstart rebels.

2166 - FORCE LIBERTY

Ram Devlin of the Staas Company Privateers ventures to Shedir-4 with the attack carrier Hardway and a new UN battleship. Pursued by a devastating Imperium warship, they seek allies and technology. Staas Company and the UN will stop at nothing to acquire what Earth needs to protect itself, but their gunboat diplomacy could cripple Humanity's expansion by marking us as the galaxy's most dangerous savages. Ram Devlin can't allow that to happen, but before he can take control and bend the arc of history with his own hands, he'll have to defeat an Imperium warship that possesses a devastating weapon and displays no vulnerability.

2166 - BATTLE OF SHEDIR

Captain Garlan Foet signs on with Ram Devlin's Privateers and travels to the home of the insect Shediri to reinforce the UN's Task Force Liberty against an impending attack on Humanity's only allies. There are secret reasons Garlan was chosen for this mission, but a captain's first duty is to his crew. There's no room for anything else once the battle begins.

As they and the Shediri prepare to meet a superior battlegroup in a fight they're expected to lose, Ram Devlin of the carrier Hardway and Captain Chun Ye Men of the battleship Guerrero must come to grips with the fact that the stated purpose of their task force was a lie all along. The only option now is to find a way to make the lies they've been sold into the truth

2166 - DEVLIN'S WAR

Devlin's Privateers and the battleship UNS Guerrero enlist the aid of the Shediri to breach space and transit to the home system of their newest enemy, the Ekkai. If Commodore Ram Devlin wants to prevent the freshly completed Privateer and UN fleet from annihilating all life on the enemy homeworld, then there's no option for him but to advance ahead of the Earth invasion forces to engage the sprawling and stealthy Ekkai home fleet in battle and beat them into surrender with Task Force Liberty.
