## **Bros Before Hoes** Nate Tanner

After a college night when everything seems to go wrong, best friends Mikey and Jason take their long-standing bromance to the next level...

Warning: this 6800 word story is for ADULTS only. Contains M/M, masturbation, oral sex, drug use, and INTENSE best friend lovin'.

A steamy new story by Nate Tanner.

Excerpt:

Jason's skin felt warm against my own.

He smelled slightly sweaty, like the jock he was, and I was very okay with that right then. It was a nice smell, a brotherly smell. I breathed it in deep as I nestled my cheek against the little triangle of brown hair on his muscular chest.

The softest pillow.

Jason put his arms around me and gave me a squeeze.

So much tighter and warmer than you could ever be squeezed by a girl.

It was so warm and comfortable and familiar that I couldn't believe I was doing this, snuggling up with my best buddy, for the first time ever.

“This is... kind of gay right here, bro,” I said.

Instantly I thought: Why the fuck did I just say that?

But Jason just laughed. “Shut up before I kick you out of here,” he said, nuzzling the top of my head with his chin.

I sighed and gave him a squeeze of my own.

So we wouldn't talk about it. That was fine with me. It was better that way, better like this, doing what we wanted to do without assigning it any label.

It was gay, of course, very gay, ordinary best friends didn't do this, even when they drank way too much, we were some sort of exception...

But maybe those exceptions were possible, I remember thinking, maybe nothing will change, even though it's already changing.

Had Jason wanted this, before?

Had I?

I couldn't even say.

Maybe things weren't changing.

Maybe they were staying the same, only in the best possible way...
