Married but Still Looking: A Novel Travis Hunter

New from the author of the national bestseller *The Hearts of Men*: a novel about one man's quest to end his cheating ways.

Women have flocked to Genesis Styles ever since he was a teenager. He's a good-looking, smooth-talking former pro-basketball player, but he has a problem: He has never been satisfied with just one woman. Then he meets Terri and everything changes. Sort of.

Genesis knows that Terri is perfect for him, and he asks her to marry him. But Genesis just can't seem to stop cheating on Terri nearly every chance he gets. Genesis's best friend, Prodigy, constantly warns him that he's going to mess up the best thing ever to happen to him, but Genesis is not ready to listen.

After dealing with a family crisis, Genesis realizes the importance of his relationship with Terri, and he begins to change his cheating ways. He knows that once he says "I do," everything will fall into place. But it may be too late, because one of his past indiscretions comes back to haunt him, and now Terri may have a few surprises of her own. . . .

From the Hardcover edition.
