Pet Rock Sex Manual, A Parody Christy Olesen

Pet Rock Sex Manual, a parody written and illustrated by Christy Olesen

PLEASE NOTE: THIS GRAPHIC BOOKLET IS 14 PAGES. IT IS A PARODY AND NOT INTENDED AS A BONA FIDE SEX GUIDE. IT'S ALL IN FUN, SO HAVE FUN AND ENJOY.

14 pages.

Bonus material with this edition: A 1970s Fads, Hits and Fashions Trivia Test.

Perhaps the only sex manual rated G, this 14-page booklet was hand drawn and hand lettered in 1976. Pet Rocks were the latest fad during the 1975 Christmas gift-giving season and carried solid sales into 1976. After talking with friends about some of their high-maintenance pets, Gary Dahl conceived a "pet" that took no care or maintenance. His cleverly designed pet carrier packaging that enclosed a rock, some straw bedding and a manual sold millions.

While listening to a discussion on the radio about breeding pet rocks, Christy wanted to tell the commentators they were wrong. Their breeding methods would never work. So she wrote the PET ROCK SEX MANUAL, had it printed at a local copy shop and sold it for \$2 to friends and family at a time when gas was 59¢ per gallon.

Take a trip back in time and have a chuckle with the PET ROCK SEX MANUAL.

Christy is now an accomplished graphic artist working for a communications company, which produces newspapers, magazines and web sites published in several states. In her free time, she loves to read, write, garden and travel.
