Are you struggling to get your children to obey you? Do you ask them to do things, only to be disregarded or refused?

One mother, desperate about her disorderly children, wailed, "The only way I know to get children to obey is not to have children!"

Fortunately, there is another way.

And it includes spanking.

Set in the context of a total child training program, spanking has a God-ordained place in the successful development of those little ones of yours.

The author, sensitive to the growing problem of child abuse, makes a clear distinction between spanking and beating.

This book is a thorough exploration of everything the Ultimate Parent, God, has to teach about:

the necessity of spanking

the proper time for spanking

the right method of spanking

Read it. Give yourself the chance to hear God's viewpoint about the matter.

It could radically change your children for the better.
