A straightforward guide to generating consistent income by selling call options on selected stocks

*The Stock Option Income Generator* outlines a low-stress approach to making predictable profits no matter what the state of the overall market. Harvey Friedentag, a registered investment advisor who has been successfully using this strategy for more than thirty-six years, shows how to pick stocks and then sell call options against those stocks to generate a constant source of income. With this book, you'll quickly learn to

- Make consistent profits in the stock market and increase your gains
- Protect stock holdings from price declines, cutting your losses
- Profit from big market moves as well as sideways moves
- Receive a controllable tax shelter from an option income portfolio
- Buy more stocks for less money

Friedentag's strategy is ideal for anyone who wants to generate better returns than the overall market averages, with less risk, and receive the benefits of tax-advantaged investing.
