"Nobody has ever achieved any worthwhile thing in his or her comfort zone. True and meaningful life of fulfillment and significance happen outside of your comfort zone. Capture, develop, and passionately pursue a clear vision of the life God created you to live. You are an eagle, not a chicken; you are destined to soar as eagles. Learn from the eagles, Get Out Of Your Comfort Zone!" Eagles are amazing birds of prey! This is especially true and revealed through a thorough study of eagles in their ecosystem, with a special focus on how they make their eaglets get out of the comfort zone of their nest and train them to fly—so that their great potentials for high altitude flight and precision hunting may be unleashed. Amazingly, God gave eagles this exceptional wisdom. This is exactly how God deals with His children. If you are created in the image of God, you have great potential for amazing accomplishments of the plan and purpose of God for your life. However, your potential is very dormant in your comfort zone; it is only activated, developed, and unleashed outside of your comfort zone. You won't see the reality of your potential and dream in your comfort zone. Unfortunately, many folks with great potential, great dreams and great destinies have remained glued to their comfort zones because of fear. People often talk of the fear of the unknown, but equally harmful is the fear that arises from the possibility of losing the known. True life happens outside of your comfort zone. There is a realm of life awaiting your discovery—the realm that will unveil the redeemed 'you'—it is the realm of Amazing Possibilities! God is ready to help you discover that realm provided you are ready. To a natural man, it is comfortable and safe to remain in the boat. Naturally speaking, man is a matter, he has mass, and he occupies space. In essence, man in his natural environment is subject to the laws of nature; if he dares to walk on water, he should sink. However, there is another 'you', the real you waiting to be discovered. The real you is a spirit who have a soul and live in a material human body. This is the 'you' that is not subject to the laws of nature—the 'you' that can walk on water and not sink—the 'you' that can be thrown into the fiery furnace and not be burned. In this book, *Get Out Of Your Comfort Zone!*, the author, Oluwasina Oluwaleke has vividly and convincingly illustrated in practical ways how you can navigate your way out of the false security and frustrations of your comfort zone to the realm of unfettered expression of the redeemed 'you'. In this book, you will see and learn: • How comfort zone can cripple destiny and why you shouldn't stay there any longer. • How to develop your faith and walk the supernatural realm with God. • How to conquer fear and go for your dream life. • How to cooperate with God when He is stirring your nest that you may learn to fly and soar in life as eagles. • The power of a legitimate Vision and practical ways of fulfilling it. Remember, God's goal for stirring your nest is to release you into The Realm of Amazing Possibilities, the realm where all things are possible to him or her who believes. This is the realm of God—for with God all things are possible.
