Financial insecurity is the #1 cause of stress, loss and breakdown in families and relationships today.

In this day and age, many people have been forced to build their financial future on the shifting sands of an unstable economic landscape. Even more people cannot plan for the future because they must operate from month to month, paycheck to paycheck. For them, life is a constant struggle to make ends meet. They live in a place of "just barely making it".

Many people want to be blessed. They want to have more than enough. But few are willing to pay the price. Financial freedom does not just happen, it is a choice.

In his new book, Dennis Leonard outlines useful, practical insights that will empower you to achieve your financial success—just as they have for him. In *Keys to Financial Freedom* you will learn

How to assess your financial condition  
New money management habits  
How to build a financial plan  
How to grow in wealth and prosperity

Discover the strategic keys that will empower you to prosper, ignite the faith that moves mountains, and change the direction of your life!
