Buck Kaufman is a cowboy in the middle of a harsh divorce.

He could lose everything he has, including his beloved 3,000 acre ranch that has been passed down in his family for three generations.

When he hired Karissa McCall as his divorce attorney, it was because he had heard that she was the best in the business. He had never expected their relationship to move beyond that of being professional.

As the judge gives the verdict, both of their lives go into an out of control tailspin in ways they couldn't have imagined.
