The Varieties of Religious Experience (Oxford World's Classics)

William James, Matthew Bradley

The Varieties of Religious Experience (Oxford World's Classics) William James, Matthew Bradley
The Varieties of Religious Experience is William James's classic survey of religious belief. With psychological insight and philosophical rigor, James wrote a truly foundational text for modern belief. Matthew Bradley's wide-ranging new edition--the most critically up-to-date and inclusive edition of James's masterpiece available in paperback--showcases ideas that continue to fuel modern debates on atheism and faith. His introduction stresses the book's significance in the relationship between religion and culture, discusses its ideas and their contemporary interest, and places the book within James's biographical, intellectual, and literary background. The explanatory notes identify key figures and contexts, and provide links with James's other work.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
