John Zerzan

**Twilight of the Machines** John Zerzan

“John Zerzan can now credibly claim the honor of being America’s most famous anarchist. His writing is sharp, uncompromising, and tenacious.”—Derrick Jensen, *Utne Reader*

The mentor of the green anarchist and neo-primitive movements is back with his first book in six years, confronting civilization, mass society, and modernity and technoculture—both the history of its developing crisis and the possibilities for its human and humane solutions.

As John Zerzan writes, “These dire times may yet reveal invigorating new vistas of thought and action. When everything is at stake, all must be confronted and superseded. At this moment, there is the distinct possibility of doing just that.”

Previous works from John Zerzan include *Elements of Refusal*, *Future Primitive*, *Against Civilization*, *Running on Emptiness*, and *Questioning Technology*. He has also contributed to *Apocalypse Culture*, *Telos*, and *Fifth Estate*. An Oregonian with degrees from Stanford University and San Francisco State University, he is an editor of *Green Anarchy* magazine. Read more at [JohnZerzan.net](http://JohnZerzan.net).
