## **Buddhist Texts Through the Ages**

This unique anthology of Buddhist scriptures traces the development of Buddhism through the ages and around the world. Designed to serve scholars and students alike, this classic text has become a valuable resource for Buddhists and all those who wish to explore for themselves the original sources of one of the world's great religions. Accessible and jargon-free, these translations from the original Pali, Sanskrit, Chinese, Tibetan, and Japanese are presented in plain English by four leading experts on the language and literature of Buddhism, while a glossary of foreign terms completes a thoroughly comprehensive and timeless introduction to the subject.
