How Can You Speak with the Holy Spirit?

Leave all fear behind, for you have a faithful guide on your path. In this devotional and instructive guide, Brother Jake outlines the necessary steps to speak with the Holy Spirit and to experience the Presence of God fully.

An excerpt from the book:

"Speaking with the Holy Spirit is a matter of breaking down the wall between His mind and yours.

Essentially, it means sharing your thoughts with Him, opening your 'secrets' to His loving gaze.

Every human being, every ego, protects certain thoughts from God and tries to keep them separate. You know which ones. They already occurred to you. You do this because you feel that they provide pleasure, a pleasure that God would take away if you would unite your mind with His.

But never forget the gentleness of the Holy Spirit. When you open your mind, when you cease protecting your thoughts from God, there will be no judgement coming from Him. Judgement is a form of punishment created by the ego against itself. The Holy Spirit does not use it. Instead, the Holy Spirit uses Love as His means."

The book concludes with 3 spiritual techniques that you can do at any time to connect with the Lord.
