- Psychics – those who have awakened their extra-sensory perception and are using their skills on a daily basis, for example, to offer psychic readings, psychometry or psychic healing.
- New Age followers - those who use the Law of Attraction, or participate in New Age workshops, or practice different schools of self-growth and spiritual development.
- Card readers and fortune tellers – those who practice divination with Tarot, runes or angel cards, or use any other method of divination and fortune telling.
- Healers – those who are Reiki healers, or Pranic healers, or those who use other forms of energy for the purpose of healing.
