The Stranger: by Harlan Coben | Summary & Analysis

This is a Summary & Analysis. Harlan Coben's novel is a provocative crime thriller that will leave the reader guessing until its final pages. Set in the comforts of small town suburbia it invokes the theory that nothing is as it seems and sometimes the fairy tale with the white picket fence is just that – a fairy tale. Adam Price learns the hard way that the truth doesn't necessarily set you free and sometimes it can do more harm than the deception itself.

When Adam Price is approached by an unknown person at a youth athletics meeting he is ill-prepared for the life-altering information the man presents to him. Learning of his wife's deceptions from a completely unfamiliar person is even more unsettling than the secrets themselves. That conversation changes the course of Adam's life forever and when he confronts Corinne her guarded response is puzzling. Then his wife turns up missing and Adam knows the only thing he can do is search for the stranger and get to the bottom of Corinne's disappearance once and for all.

This companion also includes the following:

- Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher the novel
- Details of Characters & Key Character Analysis
- Summary of the text, with some analytical comments interspersed
- Thought Provoking /or Discussion Questions for both Readers & Book Clubs
- Discussion & Analysis of Themes, Symbols...
- And Much More!

This Analysis of Harlan Coben's novel fills the gap, making you understand more while enhancing your reading experience.
