## **Aging Parents**

### **A Guide on How to Care for Aging Parents**

This is volume 3 in a series of 3 Aging books.

If you want to understand aging parents and want to know the secrets of aging parents, caregiver, aging and health, and how to take care of your parents, then you're about to know what you can do for your parents as a caregiver in this new ebook "Aging Parents - A Guide On How To Care For Aging Parents To Help Them Through Life's Transitions". This book gives you the answers to important questions and challenges every caregiver faces.

Life's journey is fraught with twists and turns, some unexpected and some not. We begin, dependent upon parents to guide us through uncertainties and doubts, learning as we grow to adulthood. Our parents were there for us: teaching, nurturing, and helping to steer a safe course for our happiness and success. That process takes place in homes and families, the world over. It is not unique, but it is special and endearing. The experience builds bonds of trust, love, and concern that are necessary when the roles are reversed, and the child becomes the caregiver, the support, and the guardian.

For too many, the transition is troubling for both parties. The sudden lack of freedom for an adult, who has done what he or she has wanted for 70 years, can lead to resentment and even hostility. Where does one go for difficult answers, and when do you begin the process?

Writer, Kristy Clark, tackles the difficult issues for children of aging parents. Take the guesswork out of the equation and learn, in a systematic, caring way, to address the inevitable before you're faced with making decisions in the face of adversity or a tragedy. There is a right and a wrong way to provide long or short-term parental care, but the roadmap is here, laid out to provide assurances to all parties concerned.

## **A Smattering of What's Inside:**

- Warning Signs of Health Problems.
- How to Communicate.
- Instructions for Proper Care.

- How to Handle Their Investments.
- Wellbeing and Safety.
- Overcoming Resistance.
- And much, much more...
