The EMT-Intermediate Review Manual for National Certification is a one-of-a-kind review manual designed to prepare students to sit for the National Certification Exam, based on the 1999 curriculum. The manual includes practice questions with answers and model exam; step-by-step walkthrough of skills, including helpful tips, commonly made errors, and sample scenarios; a self-scoring guide; and winning test-taking tips. Copies of the performance skill sheets, requirements for successful completion of each skill, and common errors made during the performance of each skill are also included.
