Operations Management with Multimedia CD (3rd Edition)

Roberta S. Russell, Bernard W. Taylor

Operations Management with Multimedia CD (3rd Edition) Roberta S. Russell, Bernard W. Taylor

This contemporary and comprehensive book integrates traditional topics in operations management with significant changes occurring in manufacturing and service operations around the world. Operations Management is viewed from the perspective of operations as a group of interrelated and dependent processes. The material is clear and concise and is presented in a well-organized and logical progression of topics. It also includes a **Multimedia CD version**—which is the same as the print version, but with many additional unique and instructional features not available in the print version. Three part organization—Each part—The Strategy of Productive Systems, Designing Productive Systems, Operating Productive Systems—seeks to place each function of operations management in the proper perspective. Ideal for professionals in the operations management field who want to keep up with current changes resulting from the advances in computer and information technology.

From reader reviews:

Tamika Sheppard:

What do you regarding book? It is not important to you? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They have to answer that question mainly because just their can do in which. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this particular Operations Management with Multimedia CD (3rd Edition) to read.

Kenneth Kelly:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is in the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Operations Management with Multimedia CD (3rd Edition) as your daily resource information.

Jessica Rodriguez:

Spent a free time for you to be fun activity to do! A lot of people spent their leisure time with their family, or their particular friends. Usually they doing activity like watching television, about to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Could be reading a book might be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the guide untitled Operations Management with Multimedia CD (3rd Edition) can be good book to read. May be it may be best activity to you.

Kenneth Salinas:

What is your hobby? Have you heard this question when you got students? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person similar to reading or as reading through become their hobby. You need to understand that reading is very important and book as to be the point. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You discover good news or update in relation to something by book. Amount types of books that can you choose to use be your object. One of them is this Operations Management with Multimedia CD (3rd Edition).
