Organizational Behavior and Management John Ivancevich, Robert Konopaske, Michael Matteson

The authors' goal in writing *Organizational Behavior and Management* 10e is to improve students' ability to understand, interpret, and predict the behavior of people working in organizations. The book combines text, self-learning exercises, group-participation exercises, and cases in an integrated way designed to enhance learning and retention of organizational behavior concepts and skills. A solid research base and an appendix on research techniques make this book suitable for a graduate studies course.
