Why You're Wrong About the Right: Behind the Myths: The Surprising Truth About Conservatives

S. E. Cupp, Brett Joshpe

And on your right, ladies and gentlemen, please observe The Conservative (Conservitus Americanus). This fascinating species in-habits vast territories across middle America, but rarely reveals itself in coastal urban areas. It is commonly believed to be uptight, humorless, and devoid of compassion, and is often characterized as racist, homophobic, and highly eco-unfriendly. Primary behaviors include unnecessary warmongering, tax cutting, and gun collecting. For decades, conservatives have proven to be hopelessly un-hip, and their mating habits dull. They are highly feared and often despised, for so few know and understand their true nature.

Get ready to meet the conservative next door or in the office down the hall, the person you never thought in a million years was one of "them." Lively, witty, and thought-provoking, *Why You're Wrong About the Right* blows the lid off the stereotypes that have long been associated with the American Right, and reveals the face of today's conservatives: an intellectually and philosophically diverse new breed of young, outgoing, smart, friendly professionals who live and work among liberals everywhere!

Themselves closet conservatives in Leftoid Land (aka Manhattan), S. E. Cupp and Brett Joshpe inject their own unique and colorful points of view into an honest dialogue on conservative ideas in American life and popular culture, and draw from interviews with a roster of renowned writers and political personalities, including Tony Stewart, Tucker Carlson, Brian C. Anderson, Laura Ingraham, Pat Toomey, David Horowitz, Ted Hayes, and many more.

Undercover conservatives, reveal your true colors with pride! Liberals, hug a conservative today! And whichever side you find yourself on, you'll be engaged, surprised, and happily re-educated when you discover *Why You're Wrong About the Right*.
