Secrets from the Ninja Grandmaster: Revised and Updated Edition Stephen K. Hayes, Masaaki Hatsumi
Secrets of the Ninja Grandmaster is a collection of heart-to-heart lessons from ninja grandmaster Masaaki Hatsumi to his senior student and first American disciple, Stephen K. Hayes. When this book was first published in 1987, it gave Western martial artists their first chance to learn what the grandmaster himself had to say about the essence of warrior training that emphasized real-world battlefield fighting methods (jissen-gata) - from the use of weapons to ninja invisibility to kuji warrior spirituality - as opposed to art or sport. This important volume is now available once again through Paladin Press, with an all-new epilogue and a techniques section that illustrates various classical ninja fighting defenses. This is essential reading for every martial artist who has ever wanted to go beyond the stereotypical images of the ninja sensationalized in action-adventure movies and gain access to the true secrets of the ninja grandmaster.
