Rona M. MacKie

Clinical Dermatology: An Illustrated Textbook (Oxford medical publications) Rona M. MacKie

This edition of a successful text includes completely rewritten chapters on history-taking and examination and skin biology. It also provides information on the recent advances in the understanding of disease mechanisms and improvements in therapy for some common skin problems, as well as coverage of the wide range of dermatological problems associated with the AIDS virus. The text is illustrated with many color plates and includes appendices with notes on topical therapy, along with a glossary of clinical and histological terms.
