Do You Really Want to Meet a Cape Buffalo? Cari Meister

Six new titles in this popular adventure series feature animals from the ocean to Africa to Australia. Child adventurers become wildlife tourists and make firsthand observations about the animals. According to Booklist, "This engaging and original take on a perennially popular subject will be a welcome addition to school and public library collections." A child goes on an African safari and observes the behavior of Cape buffalo in the wild as they defend their herd.
