How People Make the World Hans TenDam

A road-map for world-citizens. This original and profound work maps the world's most pressing political issues around ten challenges. Uniquely, this work bridges the gap between individual action and global issues. This work is written for politicians, administrators, journalists, and activists; for people in international agencies and associations; and most importantly, for every one of us who - lucky enough to live in a democracy - wants to act effectively and choose wisely.
