How to Be a Hot Wife: Become the Kind of Woman Every Man Wants to Marry (And Every Woman Secretly Wants to Be) (Hot Wife Guides Book 2) Angela Atkinson

When was the last time you felt irresistibly, deliciously sexy? And when was the last time your husband couldn't take his eyes off of you (not to mention his hands)? Do you worry that the spark is gone in your marriage? Do you fear that his eye wanders a little too often, or are you worried he might cheat on you? Do you want to cheat-proof your marriage?

Do you want to be the sexiest woman in every room (at least as far as your hubby is concerned)? Would you like to know the secrets of the world's sexiest women and use them to your advantage? Good news - you've found exactly what you've been looking for, right here in this handy little guide to the beautiful life for married women.

It's hard to be a grownup these days, especially when you're trying to hold together a home and family, and even more so when you've got kids. As women, it's our nature to put our families before ourselves, and often to our own detriment.

Despite our best intentions, marriage often causes this odd phenomenon I like to call Mrs. Scrunchie-Sweats. Whether you had kids or you just got busy with the daily grind, one day, you look the mirror and you notice something:

Your standards have changed.

You're walking around in the world wearing sweats and a scrunchie. In public. And you're justifying it to yourself, most likely thinking you've got more important things to worry about than the way you look or carry yourself.

Or maybe you're just not putting yourself together like you used to, and you might even think that's what you've got to deal with when you're a busy married woman - you're not the only person you've got to worry about, right?

But something inside you feels a little twinge of jealousy every time you see a woman who seems totally put-together. You know the type - she makes "having it all" look like a breeze - and she looks freaking fabulous while she does it.

In this book, you'll discover the closely-guarded secrets of the hottest, most amazingly sexy women in the world- the simple-to-apply principles they use in their day-to-day lives that separate you from the sexy, stylish wife you want to be.
