As a student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's
