The Boxcar Children (Boxcar Children Mysteries) Gertrude Chandler Warner

Henry, Jessie, Violet and Benny, four orphaned brothers and sisters, suddenly appear in a small town. No one knows who these young wanderers are or where they have come from. Frightened to live with a grandfather they have never met, the children make a home for themselves in an abandoned red boxcar they discover in the woods. Henry, the oldest, goes to town to earn money and buy food and supplies. Ambitious and resourceful, the plucky children make a happy life for themselves—until Violet gets too sick for her brothers and sister to care for her.
