When Kate, Joshua's shy English rose, makes a new friend, Joshua has no idea what it will mean for their marriage. Under Rebecca's tutelage, Kate blossoms, and her attitude to their relationship, and to Joshua, changes.

She encourages him to experiment with a chastity device, and to please her, Joshua reluctantly agrees. This, however, is just a prelude to their new way of life. Kate is relishing their femdom lifestyle and begins to demand more and more of him, molding him into her and Rebecca's idea of a perfect husband and plaything...

How long will Joshua permit himself to be treated in such a way? How will Kate ensure that Joshua continues to submit to her every wish and desire? What else will she demand of him? Will Joshua ever see his mild-mannered, English wife again, or has she gone forever?
