Excerpt from The Rover Boys on the Great Lakes: Or the Secret of the Island Cave

My Dear Boys: This volume, "The Rover Boys on the Great Lakes," is a complete story in itself, but forms the fifth volume of the Rover Boys Series for Young Americans.

When first I started this series with "The Rover Boys at School," I had no idea of extending the line beyond three or four volumes. But the second book, "The Rover Boys on the Ocean," immediately called for a third, "The Rover Boys in the Jungle," and this finished, many boys wanted to know what would happen next, and so I must needs give them "The Rover Boys Out West." Still they were not satisfied; hence the volume now in your hands.

So far we have followed the doings of Dick, Tom, and Sam at dear old Putnam Hall, with many larks and sports; then out upon the broad Atlantic in a daring chase which came pretty close to ending in sad disaster; next into the interior of Africa on a quest of grave importance; and lastly out into the mountainous regions of the wild West, to locate a mining claim belonging to Mr. Anderson Rover.
