Things that Fall from the Sky Kevin Brockmeier

Weaving together loss and anxiety with fantastic elements and literary sleight-of-hand, Kevin Brockmeier's richly imagined **Things That Fall from the Sky** views the nagging realities of the world through a hopeful lens.

In the deftly told "These Hands," a man named Lewis recounts his time babysitting a young girl and his inconsolable sense of loss after she is wrenched away. In "Apples," a boy comes to terms with the complex world of adults, his first pangs of love, and the bizarre death of his Bible coach. "The Jesus Stories" examines a people trying to accelerate the Second Coming by telling the story of Christ in every possible way. And in the O. Henry Award winning "The Ceiling," a man's marriage begins to disintegrate after the sky starts slowly descending.

Achingly beautiful and deceptively simple, **Things That Fall from the Sky** defies gravity as one of the most original story collections seen in recent years.
