To Kill a Mockingbird is a novel, written by American writer Harper Lee. The novel was so successful that it had earned him a Pulitzer Prize back in 1961. The story of the novel revolves around historical background of American society in the middle of 20th century, prior to the African-American Civil Rights Movement, which was largely led by racism and the cruel regime of white people towards the colored minority.

Main character of the novel is a woman nicknamed Scout and her family that, unlike many other white families from that time, raise their voices against the justice system which proclaims racism against African-American people.
