**Trickster's Thunder (Trickster Chronicles Book 1)** Thomas J. Welles

An Amerindian god uploads into a military AI, a motorcycle gang decides to go ecoterrorist on their hemp-burning Harleys, a good cop watches his partner go bad cop in a bad way, and two college students try to hack their way into mythology. All this can only mean one thing - the Trickster is born anew. A modern near-future tale with a 90's cyber-grunge temperament, Trickster's Thunder is a fast-paced story built for speed, rolling down the I-5 and dancing with narco-gangs and nuclear destruction while two college hackers and one good cop try to figure it all out before it's too late. Catch a ride on this cyber-punk homage, but hang on - the thunderstorm is coming.
