A history of Sanskrit literature

Arthur Berriedale Keith

A history of Sanskrit literature Arthur Berriedale Keith

Taken in conjunction with my Sanskrit Drama, published in 1924, this work covers the field of Classical Sanskrit Literature, as opposed to the Vedic Literature, the epics, and the Puranas. To bring the subject-matter within the limits of a single volume has rendered it necessary to treat the scientific literature briefly, and to avoid discussions of its subject-matter which appertain rather to the historian of grammar, philosophy, law, medicine, astronomy, or mathematics, than to the literary historian. This mode of treatment has rendered it possible, for the first time in any treatise in English on Sanskrit Literature, to pay due attention to the literary qualities of the Kavya. Though it was to Englishmen, such as Sir William Jones and H. T. Colebrooke, that our earliest knowledge of Sanskrit poetry was due, no English poet shared Goethe's marvellous appreciation of the merits of works known to him only through the distorting medium of translations, and attention in England has usually been limited to the Vedic literature, as a source for comparative philology, the history of religion, or Indo-European antiquities; to the mysticism and monism of Sanskrit philosophy; and to the fables and fairy-tales in their relations to western parallels. The neglect of Sanskrit Kavya is doubtless natural. The great poets of India wrote for audiences of experts; they were masters of the learning of their day, long trained in the use of language, and they aim to please by subtlety, not simplicity of effect. They had at their disposal a singularly beautiful speech, and they commanded elaborate and most effective metres. Under these circumstances it was inevitable that their works should be difficult, but of those who on that score pass them by it may fairly be said *ardua dum metuunt amittunt vera viai*. It is in the great writers of Kavya along, headed by Kalidasa, that we find depth of feeling for life and nature matched with perfection of expression and rhythm. The Kavya literature includes some of the great poetry of the world, but it can never expect to attain wide popularity in the West, for it is essentially untranslatable. German poets like Ruckert can, indeed, base excellent work on Sanskrit originals, but the effects produced are achieved by wholly different means, while English efforts at verse translations fall invariably below a tolerable mediocrity, their diffuse tepidity contrasting painfully with the brilliant condensation of style, the elegance of metre, and the close adaptation of sound to sense of the originals. I have, therefore, as in my Sanskrit Drama, illustrated the merits of the poets by Sanskrit extracts, adding merely a literal English version, in which no note is taken of variations of text or renderings. To save space I have in the main dealt only with works earlier than A.D. 1200, though especially in the case of the scientific literature important books of later date are briefly noticed. This book was sent in completed for the press, in January 1926 but pressure of work at the University Press precluded printing until the summer of 1927, when it was deemed best, in order not to delay progress, to assign to this preface the notice of such new discoveries and theories of 1926 and 1927 as might have permanent interest.

From reader reviews:

Mellisa White:

What do you concerning book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this specific A history of Sanskrit literature to read.

Lorraine Prinz:

Spent a free time to be fun activity to do! A lot of people spent their sparettime with their family, or their very own friends. Usually they carrying out activity like watching television, gonna beach, or picnic from the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Could possibly be reading a book might be option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try out look for book, may be the e-book untitled A history of Sanskrit literature can be excellent book to read. May be it can be best activity to you.

Denise Zimmerman:

Reading can called mind hangout, why? Because while you are reading a book particularly book entitled A history of Sanskrit literature your brain will drift away trough every dimension, wandering in each aspect that maybe unknown for but surely might be your mind friends. Imaging each word written in a reserve then become one contact form conclusion and explanation which maybe you never get just before. The A history of Sanskrit literature giving you one more experience more than blown away your head but also giving you useful information for your better life with this era. So now let us explain to you the relaxing pattern here is your body and mind are going to be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Herbert Willams:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this A history of Sanskrit literature can make you experience more interested to read.
