Civil Service Reform Strengthening World Bank and IMF Collaboration (Directions in Development)

International Monetary Fund

Civil service reform is often essential to bring about governance improvements that are needed for sustainable poverty reduction. A workshop hosted by the World Bank and the IMF in September 2001 provided a forum to review the effectiveness of Bank-Fund advice and programs on civil service reform, and to propose ways to improve joint efforts in coming years. Programs in 11 countries were examined, (Benin, Bolivia, Cambodia, Macedonia, Mali, Mongolia, Pakistan, Russia, Tanzania, Yemen, Zambia), and macrofiscal and structural outcomes of Bank-Fund work in those countries considered. This book is a joint publication between the IMF and the World Bank.
