Complete Houseplants provides homeowners with all the information they need to incorporate plants in the interior design of their homes. The book covers the basics of choosing the right plants for the home, selecting containers, and plant arranging. Sections on proper care and lighting will help homeowners enjoy healthy, beautiful houseplants for years. But the heart of the book are the 250 plant profiles, with 50 of those profiles new to this edition. Each profile gives tips for successful care, including light, watering, and fertilizing requirements.
