## **Death, Doom, and Detention (Darklight)** Darynda Jones

In *New York Times* bestselling author Darynda Jones's *Death, Doom and Detention*, the normal part of Lorelei MacAlister's life didn't just slip away quietly the day Jared Kovach came to town. Nope. The normal part of her life shattered. It exploded. It burst into a gazillion shards of fleeting light.

It went out with a bang.

Goodbye normal.

Hello dark and eerie.

While her best friend, Brooklyn, is focusing all of her energy on helping Lorelei hone her abilities, Lorelei is dealing with the reality that Satan's second in command has taken up residence inside her body. Oh, and the fact that she has a crush on the Angel of Death. But what a beautiful death it is. If those weren't bad enough, something sinister has come to town and it wants nothing more than to hear Lorelei's dying breath as it strangles it out of her. Thank goodness the gang has a supernatural champion. But what happens when the only being who can save them switches sides midstream? How can a group of misfits capture one of the most powerful beings ever created? And will they find out how to bring Jared back to them before it's too late?
