Kathleen's Story (Angels in Pink) Lurlene McDaniel

It's the summer after sophomore year and Raina has convinced her best friends since the sixth grade, Kathleen and Holly, to spend their summer as "pink angels" in Parker-Sloan General Hospital's summer volunteer program. Kathleen is reluctant to do it—she has enough responsibility at home caring for her sick mother. But when she meets Carson, a cute and flirty fellow volunteer, she is happy that she joined the program. Or, at least, she thinks she is. Carson's "old friend" Stephanie keeps showing up at all the wrong times. And Kathleen's mother keeps complaining that she needs Kathleen at home. But with friends Raina and Holly by her side and her Pink Angel t-shirt on her back, Kathleen is able to realize that helping others also allows you to help yourself.

From the Hardcover edition.

From reader reviews:

Barbara Harp:

What do you think of book? It is just for students since they are still students or that for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Kathleen's Story (Angels in Pink). All type of book is it possible to see on many sources. You can look for the internet sources or other social media.

Patricia Ackermann:

Nowadays reading books become more than want or need but also turn into a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The info you get based on what kind of e-book you read, if you want send more knowledge just go with training books but if you want really feel happy read one along with theme for entertaining such as comic or novel. Often the Kathleen's Story (Angels in Pink) is kind of reserve which is giving the reader capricious experience.

Andres Edelman:

Reading can called brain hangout, why? Because while you are reading a book specially book entitled Kathleen's Story (Angels in Pink) your thoughts will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely can become your mind friends. Imaging every word written in a e-book then become one form conclusion and explanation that maybe you never get just before. The Kathleen's Story (Angels in Pink) giving you one more experience more than blown away your brain but also giving you useful info for your better life in this era. So now let us demonstrate the relaxing pattern is your body and mind are going to be pleased when you are finished looking at it, like winning a. Do you want to try this extraordinary shelling out spare time activity?

Paul Dubose:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Kathleen's Story (Angels in Pink) can be the reply, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?
