Music and art surround your students everyday. Teaching the study of the people, places, and events in the history of art and music is an important part of their homeschooling curriculum and education. Key In To The Fine Arts helps teachers in that endeavor.

The teaching of art and music education can begin in the early grades and continue on through high school. While both Michelangelo and Mozart are often the most recognizable in their respective fields they were not the earliest innovators in the history of art and music. Do you know who they are?

Key In To The Fine Arts provides study resources, assignment ideas, and lesson ideas as well as a listing of many wonderful books, both vintage and new, that when included in your music and art education curriculum will help in providing your student with a strong foundation in these important subjects. This also provides a partial listing of many of history's artists and composers, many names you will recognize as well as those you may not.

Key In To The Fine Arts is a wonderful addition for homeschool educators. It can be a valuable tool to supplement the teaching resources necessary for a well rounded homeschool education.
